# Preceptor Externship Rubric Performance Grade Calculator

This calculator is intended to assist preceptors in assigning extern performance grades based on marks on the competency rubric.

Final grades, although ultimately up to the preceptor, should be aligned with this performance grade and the grade from additional externship assignments.

---

**Enter data from EXTERNSHIP ASSESSMENT Form on one45:**

Total Marks for “Unacceptable Performance”

Total Marks for “Satisfactory Performance”

Total Marks for “Good Performance”

Total Marks for “Exceptional Performance”
