

# UTCVM ASSESSMENT RUBRIC

## ANATOMIC PATHOLOGY NECROPSY SECTION, WKS 1-3

	Unacceptable (0%)	Unsatisfactory Performance (9 pts, 60%)	Adequate Performance (11 pts, 73%)	Good Performance (12 pts, 80%)	Very Good Performance (14 pts, 93%)	Excellent Performance (15 pts, 100%)
<b>1. Necropsy performance &amp; identification of basic lesions</b>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
<p><b>Students with excellent performance:</b></p> <ol style="list-style-type: none"> <li>1. Have a good understanding of, and appropriately follow, the protocol.</li> <li>2. Collect appropriate samples for histopathology and ancillary diagnostic lab testing.</li> <li>3. Are able to identify findings as normal or abnormal, and significant, insignificant, or needs further investigation with histopathology.</li> <li>4. Works to improve necropsy skills throughout the week.</li> </ol>						
<b>2. Understanding of Cases/Pathophysiology Knowledge Base</b>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
<p><b>Students with excellent performance:</b></p> <ol style="list-style-type: none"> <li>1. Have a good knowledge of anatomy and pathophysiology.</li> <li>2. Accurately interpret lesions to create reasonable morphologic diagnoses.</li> <li>3. Ask insightful questions on pathogenesis, herd health implications, or treatment concerns.</li> <li>4. Exhibit appropriate scientific curiosity by doing additional research to increase their understanding of their cases.</li> </ol>						
	Unacceptable (0%)	Unsatisfactory Performance (6 pts, 60%)	Adequate Performance (7 pts, 70%)	Good Performance (8 pts, 80%)	Very Good Performance (9 pts, 90%)	Excellent Performance (10 pts, 100%)
<b>3. Report Writing</b>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
<p><b>Students with excellent performance:</b></p> <ol style="list-style-type: none"> <li>1. Turn in reports on time.</li> <li>2. Write complete and accurate descriptions of lesions.</li> <li>3. Write complete and accurate morphologic diagnoses.</li> <li>4. Respond to requests for additional information in a timely manner.</li> <li>5. Write reports that reflect changes and improvements throughout the week, as guided by the pathologist and resident.</li> </ol>						
<b>4. Attitude &amp; Professionalism*</b>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
<p><b>Students with excellent performance:</b></p> <ol style="list-style-type: none"> <li>1. Are consistently punctual.</li> <li>2. Take responsibility for their cases.</li> <li>3. Seek opportunities to assist others on rotation.</li> <li>4. Communicate in a timely &amp; professional manner.</li> <li>5. Are ready to learn and are actively engaged in all aspects of the rotation.</li> <li>6. Positively and respectfully interact with all students, faculty, &amp; residents.</li> </ol>						
<b>Total Score (50 Points Possible)</b>						

\* Unacceptable performance in this category results in a failure of the rotation.
