\* In-state students pay only for the maintenance fee, which is commonly referred to as 'in-state tuition'. Out-of-state students pay the maintenance fee plus out-of-state tuition. The combined amount of these two fees is commonly referred to as 'out-of- state tuition'.

University Fees are set by the Board of Trustees and are subject to change at any regular or called meeting of the Board.

Fee changes typically are announced at the beginning of July preceding each academic year.

Students should discuss options for increasing financial aid in anticipation of such fee increases with the financial aid counselor before making final financial aid decisions.
