

## Phi Zeta, the Honor Society of Veterinary Medicine

# Phi Chapter, University of Tennessee

## PHI CHAPTER AWARD FOR EXCELLENCE IN ANIMAL HEALTH RESEARCH

### Comparative & Experimental Medicine and Public Health Research Symposium

Since 2008, each year, as part of the CEMPH Research Symposium, the Phi Chapter provides a \$250 cash award for one presentation that represents Phi Zeta's goal to excel in scholarship and research in matters pertaining to the welfare and diseases of animals.

### 2016

**Ms. Manasi Balachandran**, Biomedical and Diagnostic Services  
"Expression of Protein A in *Staphylococcus pseudintermedius*"

### 2015

**Dr. Brynn McCleery**, Small Animal Clinical Sciences  
"Use of Cardiac Troponin I (cTnI) as a biomarker of myocyte injury in an avian model following administration of cardiotoxin doxorubicin: A pilot study"

### 2014

**CPT Matthew Riley**, Comparative & Experimental Medicine  
"Determining virulence factors, multi-drug resistance and typing methods of 7 *Staphylococcus pseudintermedius* clinical isolates by whole genome sequencing"

### 2013

**Dr. Katherine Baine**, Small Animal Clinical Sciences  
"Pharmacokinetics of Gabapentin in Hispaniolan Amazon Parrots (*Amazona ventralis*)"

### 2012

**Pelagie Favi**, Materials Science and Engineering  
"Bacterial Cellulose and Equine-Derived Bone Marrow Mesenchymal Stem Cells as a Potential Biomaterial Construct for Tissue Engineering of Cartilage and Bone"

### 2011

**Jacqueline Bryan**, Dept. of Small Animal Clinical Sciences; Mentor: Dr. Linda Frank

**2010**

**Laura Eberlein**, College of Veterinary Medicine, #15

**2009**

**Angela Lusby**, Small Animal Clinical Sciences, Mentor: Dr. Claudia Kirk

**2008**

**April Durant**, Small Animal Clinical Sciences
