

# Veterinary Social Work

The Veterinary Social Work (VSW) program at the University of Tennessee offers grief support services. The VSW personnel know how important your companion is to you and understand that the grief and heartache you may be experiencing is normal.

## Veterinary Social Work provides

- Individual, Couples, or Family sessions - face to face or over the phone
  - » 4 sessions for individuals whose animals *have not* been patients at UTCVM
  - » 8 sessions for individuals whose animals *have* been patients at UTCVM
- Pet Loss Support Group
- Seasonal Pet Memorial Celebrations

*This support service is available at no charge.*

***If you would like more information or wish to speak with a Veterinary Social Worker, please call the VSW Helpline (865) 755-8839, Monday - Friday 10am - 5pm.***

Attending to human needs at the intersection of veterinary and social work practice.
