Arrangements for collection of the body and return of ashes must be made by the owner/ agent or referring veterinarian. Please contact the preferred cremation service provider for billing and collection arrangements. ***Due to limited space, bodies cannot be held longer than 3 days at UTCVM***

**AUTHORIZATION FOR RELEASE OF BODY**

\*\*\* Post-mortem will not be done without signature of the veterinarian. \*\*\*

To the best of my knowledge, the information I have provided on this form is true. I understand this request will be carried out immediately upon signing this agreement. I hereby release the University of Tennessee Veterinary Medical Center, their agents, and representatives from any and all liability for said animal. I have read and understand this consent.
Signature of Veterinarian:

All communication of results/findings will be through the Referring Veterinarian's Practice named above. Final reports on State Funded Necropsy Examinations will also be forwarded to the State Veterinarian at Kord Diagnostic Laboratory in Nashville, TN. Final results may not be available for up to 60 days.
