**ASSAYS CURRENTLY AVAILABLE**

Aciclovir	Galliprant
Amoxicillin	Ganciclovir
Bupivacaine	Hydromorphone
Butorphanol	Itraconazole & Hydroxyitraconazole
Carprofen	Ketamine & Norketamine
Ceftazidime	Lidocaine & metabolites
Ceftiofur Equivalents	Meloxicam
Cefovecin	Meropenem
Citrate (urine only)	Metronidazole
Clonazepam	Midazolam & Hydroxy-midazolam
Deracoxib	Minocycline
Diazepam and Nordiazepam	Nalbuphine
Doxycycline	Omeprazole
Esomeprazole	Oxalate (urine only)
Famciclovir/Penciclovir	Oxytetracycline
Fenbendazole	Pantoprazole
Fluconazole	Piroxicam
Flubendazole	Ponazuril
Fentanyl	Praziquantil
Firocoxib	Prednisolone
Flunixin	Propofol
Fluoroquinolones:	Robenacoxib
Ciprofloxacin	Terbinafine
Enrofloxacin	Thiafentanil
Fleroxacin	Tramadol & metabolites
Marbofloxacin	Uric Acid
Moxifloxacin	Valaciclovir
Furosemide	Voriconazole

If you are interested in drugs not listed, contact the laboratory with questions about assay development and cost.

**Ship Samples to: UTCVM Pharmacology Laboratory**  
2407 River Drive, Room A305 | Knoxville, TN 37996-4543

☎ **865-974-5646**    📠 **865-974-5640**    ✉ [scox6@utk.edu](mailto:scox6@utk.edu)  
🌐 [vetmed.tennessee.edu/vmc/dls/pharmacology](http://vetmed.tennessee.edu/vmc/dls/pharmacology)

Contact the lab for the appropriate sample type and amount for the assay requested.  
Ship samples on dry ice for overnight delivery  
*Label all samples legibly with ink that will not wash or rub off easily.  
Labels and tape can still fall off. \*See Sample Submission Procedures\**
