

**POST FOOTBALL GAME EMERGENCY ACCESS TO UT VETERINARY MEDICAL CENTER**

Make your way to Middlebrook Pike and head toward Sutherland Avenue (you can google Middlebrook Pike and Sutherland Avenue). Turn south onto Sutherland Avenue. At the next red light, turn left onto S. Concord Street, proceed until you reach the intersection of Concord, Kingston Pike, Cumberland Avenue, and Neyland Drive. At this intersection, you will need to obtain police officer approval to go straight through the intersection onto Neyland Drive. If the officer at this intersection denies your request, telephone the dispatch center at 865-974-3114 and ask to be granted Emergency Operations Center permission to proceed. Once on Neyland Drive, at the third red light, turn left onto Joe Johnson Drive then immediately right into the Veterinary Medical Center parking lot.
