This information is privileged medical advice and should not be shared directly with the client. It is solely for UTCVM Cardiology service to review and provide possible treatment options of the above-named animal (patient) based on the information provided. A reply is sent to the veterinarian of record within 3 days from receipt of the form. This form does not constitute a Veterinarian/Client/Patient relationship with the UTCVM Veterinary Medical Center. We are unable to communicate with the client without an official in-office consult. Supervision of said animal remains the responsibility of the treating clinician. Above are general recommendations based on the information provided and pertain to the above-named pet only. These treatment recommendations and cost estimates are subject to change.

This form should not be used to request a sooner appointment for your patient.
