

Contact Information for Consultations (For Licensed Veterinarians Only)

If you need an estimate only, please review our service information in the Referral Guide on the VOLVet Portal or contact the referral coordinator by phone at 865-974-3939 or email utvetref@utk.edu.

Consults should **NOT** go through the referral coordinator. Professional consults are available Monday through Friday from 8am-5pm EST. This does not include holidays or official college closing days.

For consults with the following services, call the main hospital number (865-974-8387) and ask to speak with the specific service:

- Anesthesia
- Avian/Exotic Animal Medicine
- Community Practice
- ER/Critical Care
- Neurology
- Ophthalmology
- Pharmacy
- Physical Rehabilitation
- Veterinary Imaging Service
- Zoological Medicine

For the services below, please follow the service e-specific instructions for consultation:
